End Application:

Roller, motorized asphalt, tandem drum c-534d

Valve Operation Method:

Solenoid

Product Name:

Valve and mtg gp - solenoid

Special Features:

This is an assembly of valve, manifold, flange and soc head bolt; next higher assembly: p/n 285-3591 valve and mtg gp auxiliary, part of 189-5894 hydraulic ar auxiliary

Media For Which Designed:

Hydraulic fluid, petroleum base single response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A046b0
