**End Application:**

Lcs1 new construction

**Valve Operation Method:**

Solenoid

**Maximum Operating Pressure:**

10.0 bar single response

**Voltage In Volts And Current Type:**

2.0 dc

**Product Name:**

Start valve electrical, with silencer

**Material:**

Aluminum alloy body

**Media For Which Designed:**

Air single response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A046b0
