Solenoid Valve - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4810-01-571-8545

End Application:
Lcs1 new construction
Valve Operation Method:
Solenoid
Maximum Operating Pressure:
10.0 bar single response
Voltage In Volts And Current Type:
2.0 dc
Product Name:
Start valve electrical, with silencer
Material:
Aluminum alloy body
Media For Which Designed:
Air single response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A046b0
