End Application:

Lcs1 new construction

Valve Operation Method:

Solenoid

Maximum Operating Pressure:

10.0 bar single response

Voltage In Volts And Current Type:

2.0 dc

Product Name:

Start valve electrical, with silencer

Material:

Aluminum alloy body

Media For Which Designed:

Air single response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A046b0
