End Application:

Nha 4810-01-572-3046 actuator valve p/n qp1c/m; new construction cvn 77

Valve Size For Which Designed:

0.375 inches

Product Name:

Diaphragm retainer qp-1

Valve Design Control Activity:

01029

Valve Model Number For Which Designed:

Qp-1

Material:

Steel

Material Specification:

Carbon steel mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A512e0
