Valve Seat Retainer - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4810-01-573-2546

End Application:
4820-01-572-1935 4 inch butterfly valve iaw mil-v-24624 style b type iii; new construction lcs2
Valve Size For Which Designed:
4.000 inches
Product Name:
Retainer
Valve Design Control Activity:
59309
Valve Model Number For Which Designed:
1la-5x3xgf-bmg
Special Features:
Material: aluminum bronze; application: salt water
Material:
Aluminum alloy
Material Specification:
Mil-b-24480 military specification single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A512e0
Mil-std (military Standard):
Mil-b-24480 spec.
