**Body Length:**

5.440 inches

**End Application:**

Overhaul/availability as39

**Shaft Rotation Direction:**

Counterclockwise

**Drive Type:**

Gear

**Design Type:**

Rotary

**Rotation In Deg:**

90.0

**Manual Override:**

Included

**Product Name:**

Series 39 pneumatic actuator

**Special Features:**

Supplied without solenoid; flowserve actuator modified by ives

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A30500
