Body Length:

5.440 inches

End Application:

Overhaul/availability as39

Shaft Rotation Direction:

Counterclockwise

Drive Type:

Gear

Design Type:

Rotary

Rotation In Deg:

90.0

Manual Override:

Included

Product Name:

Series 39 pneumatic actuator

Special Features:

Supplied without solenoid; flowserve actuator modified by ives

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30500
