Current Type:

Ac

Ac Voltage Rating:

250.0 volts

End Application:

Valve, indicator

Presentation Type:

Indicator light

Electrical Connection Quantity:

3

Case Material:

Stainless steel

Product Name:

Indicator, valve

Special Features:

Watchman series; with indicator; indicator type=black/yellow standard; bronze bearing; switch-sensor type=mechanical spdt 15a-250vac;
1 switch; conduit connection-2-1/2" f npt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A534b0
