End Application:

Pcc: xkl; wsd: kkn; knolls atomic power lab- special project management system; globe 591a bronze

Product Name:

(inavy) gland

Material:

Copper alloy

Material Specification:

Astm b 124 c37700 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A501s0
