Solenoid Valve - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4810-01-623-3750

Flow Control Device Normal Operation Position:
Closed
Valve Operation Method:
Hydraulic
Mounting Position:
Vertical
Product Name:
Solenoid valve
Special Features:
Poppet type, normally closed solenoid valve, 132l/min (35 usgpm) 350 bar (5000psi)
Material:
Steel body
Style Designator:
Screw-in cartridge
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A046b0
