**Flow Control Device Normal Operation Position:**

Universal

**End Application:**

Valve, solenoid npt

**Maximum Operating Pressure:**

12.0 bar single response

**Product Name:**

3/2 way solenoid valve direct acting

**Special Features:**

Body material-ms brass; seal material- ff-fkm

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A046b0
