Flow Control Device Normal Operation Position:

Closed

End Application:

Valve, solenoid 3-way

Maximum Operating Pressure:

10.0 bar single response

Product Name:

3/2 way solenoid valve direct acting

Special Features:

Body material-ms brass; seal material- ff-fkm

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A046b0
