End Application:

Industrial hydraulic valve

Product Name:

Directional control valve

Special Features:

Solenoid, wet pin, screw-in; double solenoid, 2 position, detent; seal nitrile; 24 vdc; din w/o plug; high watt; standard pressure 103.5 bar (1500 psi

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A506h0
