Directional Control Linear Valve - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4810-01-656-3625

Valve Discharge Flow Rate:
7.0 liters per minute
Voltage In Volts And Current Type:
24.0 dc
Product Name:
Proportional directional valve
Special Features:
Direct operated; size 6; symmetrical spool overlap; pressure differential 10 bar; fkm seals;
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
