Fluid Pressure Regulating Valve - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/4820-00-050-4315>

Special Features:

Operating medium nitrogen, operating pressure 5000 psi, inlet port per and10050-8, outlet port per and10050-10, outlet sense port per and10050-6, ambient pressure port per and10050-4

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A21100
