Inside Diameter:

Between 0.500 inches and 1.062 inches

Outside Diameter:

1.250 inches

Overall Length:

0.938 inches

Valve Design Control Activity:

77842

Material:

Steel

Material Specification:

Ams 5358, cl 302 assn standard single material response or ams 5640, cl 303 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A515r0
