Flow Control Device:

Disk

Valve Operation Method:

Automatic

Connection Type:

Threaded external pipe

Thready Qty Per Inch (tpi):

18

Thread Size:

0.250 inches

Body Material:

Stainless steel

Disk Material:

Stainless steel

Special Features:

Cartridge type

Thread Series Designator:

Npt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A502c0
