## NSN 4820-00-318-7351

Thermo Valve Temperature Control - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4820-00-318-7351

## **General Description:**

No

Nmaterial cap brass andsteel; copper temperature sensing bulb 205 to 250 degrees f temp range; 120.000 in. Capillary tube with braide
copper sheating; copper probe 0.628 in. Od, 7.750 in. Lg, 1.000-11-1/2 npt external thds
