Thread Direction:

Right-hand 1st end

Flow Control Device:

Poppet

End Application:

Grummin aerospace a10 aircraft

Connection Style:

Plain (pipe) 1st end

Valve Operation Method:

Automatic

Connection Type:

Threaded external pipe 1st end

Thread Size:

0.250 inches 1st end

Material:

Steel body

Style Designator:

Straight thru

Thread Series Designator:

Npt 1st end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
