Pressure And Temperature Relief Valve - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/4820-00-373-7516>

Body Material:

Aluminum alloy, qq-a-225/6, alloy 2024, 0

Fsc Application Data:

Common aircraft systems components used on engines

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A07100
