Body Material:

Steel

Media For Which Designed:

Air

End Application:

3810-00-087-5020

Special Features:

Factory pressure setting 60 psi, inlet 3/8, outlet 1/4; component controlling agency, midland ross corp., component id number, p/n n-13069-h

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A21100
