End Application:

38100435354

Special Features:

Working pressure 2000.0 psi min, flow rate 42 gpm min, operating temp m50.0 to 125.0 degrees f, 4 way position type, w/control lever

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A506h0
