Overall Length:

1.000 inches

End Application:

Howitzer m102

Largest Outside Diameter:

0.550 inches

Stem Actuating End Type:

Threaded internally

Material:

Steel

Material Specification:

Astm a108 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A503z0
