Diameter:

Between 1.021 inches and 1.041 inches

Thickness:

Between 0.115 inches and 0.135 inches

Material:

Rubber

Material Specification:

Mil-std-417, grade sb715 military standard single material response

Fsc Application Data:

1. Valve, pressure regulating

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539r0

Mil-std (military Standard):

Mil-std-417 spec.
