Flow Control Device:

Cone

Valve Operation Method:

Automatic

Flange Shape:

Round 1st end

Connection Type:

Flange 1st end

Mounting Facility:

Bracket

Valve Size:

4.000 inches

Face To Face Distance:

7.000 inches

Flange Face Design:

Plain 1st end

Material:

Stainless steel

Style Designator:

Straight through flanged ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530b0
