**Overall Length:**

2.690 inches

**End Application:**

2350-01-115-1579

**Stem Actuating End Type:**

Threaded internally

**Flow Control End Type:**

Yoke

**Disk Style:**

Cone

**Material:**

Stainless steel

**Material Specification:**

Qq-s-763, cond a federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A500r0
