Overall Length:

2.690 inches

End Application:

2350-01-115-1579

Stem Actuating End Type:

Threaded internally

Flow Control End Type:

Yoke

Disk Style:

Cone

Material:

Stainless steel

Material Specification:

Qq-s-763, cond a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500r0
