**Inside Diameter:**

0.353 inches

**Overall Height:**

1.630 inches

**Inside Depth:**

1.090 inches

**Material:**

Steel comp 1211 and steel comp 1212 and steel comp 1213

**Material Specification:**

Aisi b1111 assn standard 1st material response and aisi b1112 assn standard 2nd material response and aisi b1113 assn standard 3rd material response or aisi c1213 assn standard 4th material response

**Media For Which Designed:**

Oil

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A539y0
