Overall Length:

1.175 inches

End Application:

Hydraulic research and mfg co rotary valve, 214-076-035

Major Plug Diameter:

0.547 inches

Plug Length:

0.180 inches

Material:

Aluminum alloy

Material Specification:

Qq-a-225/9 federal specification single material response

Surface Treatment Specification:

Mil-a-8625, type 1, class 1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500s0

Mil-std (military Standard):

Mil-a-8625 spec.
