End Application:

Litton industries, contromatic div ball valve 298-04-34

Port Quantity:

2

Port Diameter:

0.939 inches

Stem Accommodation Quantity:

1

Port Configuration:

Straight

Material:

Stainless steel

Material Specification:

Aisi-316 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500t0
