**Hardness Rating:**

45.0 rockwell c and 50.0 rockwell c

**Material:**

Steel comp 420

**Material Specification:**

Qq-s-763 federal specification single material response

**Surface Treatment:**

Passivate

**Surface Treatment Specification:**

Hs-138 type 11 mfr ref single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A15500
