Hardness Rating:

45.0 rockwell c and 50.0 rockwell c

Material:

Steel comp 420

Material Specification:

Qq-s-763 federal specification single material response

Surface Treatment:

Passivate

Surface Treatment Specification:

Hs-138 type 11 mfr ref single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A15500
