End Application:

Sargent industries, valve assembly, three-way, mixing direct actuator, no. 27021-001

Material:

Nickel alloy or steel

Material Specification:

Mil-b-24059 assn standard 1st material response or ams-5643 assn standard 2nd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A503z0

Mil-std (military Standard):

Mil-b-24059 spec.
