Attachment Method:

Bolts

End Application:

4820-01-059-6101

Valve Type For Which Designed:

Directional control linear

Valve Model Number For Which Designed:

Size 1

Material:

Stainless steel

Material Specification:

Qq-s-764, cond t federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A513b0
