**Inside Diameter:**

0.378 inches

**Overall Height:**

0.892 inches

**Pressure Rating:**

6000.0 pounds per square inch

**Material:**

Steel comp 416se

**Material Specification:**

Ams 5610, comp 416se assn standard single material response

**Media For Which Designed:**

Air or hydraulic fluid

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A539y0
