### **Inside Diameter:**

0.378 inches

# **Overall Height:**

0.892 inches

# **Pressure Rating:**

6000.0 pounds per square inch

### Material:

Steel comp 416se

## Material Specification:

Ams 5610, comp 416se assn standard single material response

## Media For Which Designed:

Air or hydraulic fluid

## Shelf Life:

N/a

### Unit Of Measure:

---

#### Demilitarization:

No

## Fiig:

A539y0
