Overall Length:

22.250 inches

End Application:

Lunkenheimer valves globe valve stop check model 1400m-65-999

Valve Type For Which Designed:

Globe

Features Provided:

Keyway

Stem Actuating End Type:

Threaded externally

Valve Model Number For Which Designed:

1500m-65-999

Material:

Nickel alloy

Material Specification:

Astm b164, clb assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A503z0
