**Overall Length:**

22.250 inches

**End Application:**

Lunkenheimer valves globe valve stop check model 1400m-65-999

**Valve Type For Which Designed:**

Globe

**Features Provided:**

Keyway

**Stem Actuating End Type:**

Threaded externally

**Valve Model Number For Which Designed:**

1500m-65-999

**Material:**

Nickel alloy

**Material Specification:**

Astm b164, clb assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A503z0
