Fluid Valve Stem - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4820-01-117-0976

Overall Length:
22.250 inches
End Application:
Lunkenheimer valves globe valve stop check model 1400m-65-999
Valve Type For Which Designed:
Globe
Features Provided:
Keyway
Stem Actuating End Type:
Threaded externally
Valve Model Number For Which Designed:
1500m-65-999
Material:
Nickel alloy
Material Specification:
Astm b164, clb assn standard single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A503z0
