Overall Height:

1.750 inches

Body Outside Diameter:

33.750 inches

Body Inside Diameter:

32.000 inches

Seat Angle In Deg:

20.000

Seating Surface Shape:

Angular

Material:

Nickel alloy

Material Specification:

Qq-n-281/cia federal specification single material response

Style Designator:

Faucet

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A15500
