Valve Operation Method:

Manual

Valve Size:

6.000 inches

Criticality Code Justification:

Zzzy

Inlet Relationship With Outlet:

Identical

Material:

Steel seat

Reference Number Differentiating Characteristics:

Quality controlled in accordance with navsup control instructions for surface level 1 items

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A500a0
