Body Material:

Aluminum alloy

Media For Which Designed:

Hydrocarbon fuels and oils

End Connection Quantity:

2

Regulation Type:

Automatic single stage

Valve Loading Method:

Spring

Filter:

Included

End Application:

F-15 aircraft, number 3a tank

Product Name:

Automatic crossfeed check valve; engine fuel crossfeed valve assembly

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A21100
