Maximum Operating Temp:

225.0 degrees fahrenheit

Features Provided:

High temperature

Valve Size:

2.000 inches

Maximum Operating Pressure:

6000.0 pounds per square inch

Product Name:

Shut off valve

Port Diameter:

1.750 inches

Material:

Copper alloy

Thread Size And Series/type Designator:

3 5/8-12 un

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A519r0
