**Attachment Method:**

Bolts

**Valve Type For Which Designed:**

Air pressure relay

**Material:**

Copper alloy

**Material Specification:**

Mil-b-16444 military specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A513b0

**Mil-std (military Standard):**

Mil-b-16444 spec.
