Overall Height:

0.870 inches

End Application:

Pilot valve, 2710738m3, b-1b aircraft fuel system

Body Stepped Inside Diameter:

0.437 inches third step

Special Features:

3 slots through 0.200 in. From end 0.185 in. W

Material:

Steel comp 303

Material Specification:

Qq-s-764 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A15500
