Criticality Code Justification:

Zzzy

Special Features:

Number of threads: 1.7500-16 un-1a, 0.500 in. Min full thd and 0.815-16a 0.4375 in. Min full thd; all tapers on detail 2 of dwg no. 20137

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A524n0
