**Criticality Code Justification:**

Zzzy

**Special Features:**

Number of threads: 1.7500-16 un-1a, 0.500 in. Min full thd and 0.815-16a 0.4375 in. Min full thd; all tapers on detail 2 of dwg no. 20137

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A524n0
