Overall Length:

20.000 inches

Valve Type For Which Designed:

Regulator

Features Provided:

Integral disk

Valve Size For Which Designed:

3.000 inches

Stem Actuating End Type:

Threaded externally

Valve Model Number For Which Designed:

Class ddonx

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A503z0
