Gate Valve - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4820-01-212-0858

Flange Diameter:

10.750 inches

Bonnet Type:

Outside screw-yoke

Bonnet Attachment Method:

Bolted

Bolt Hole Quantity:

8

Valve Operation Method:

Manual

Connection Type:

Flange, round w/holes

Valve Size:

4.000 inches

Stem Type:

Rising

Face To Face Distance:

9.000 inches

Flange Face Design:

Raised

Inlet Relationship With Outlet:

Identical

Pressure Class:

600.0 pounds

Material:

Steel stem

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A500a0
